DA 04-164
January 27, 2004

PRESENTATION RESCHEDULED FOR NEW ULS ONLINE SERVICES, MDS AND ITFS, FROM JANUARY 28 TO FEBRUARY 11, 2004

This Notice updates and supercedes Public Notice DA 04-93. Those who pre-registered for the original event under the previous date of January 28 will automatically be registered for the new event date.

The FCC has rescheduled the presentation of MDS/ITFS from January 28, 2004 to February 11, 2004. As part of a continuing effort to improve the license application process, the Wireless Telecommunications Bureau (WTB) announces the upcoming conversion of Multipoint Distribution Service (MDS, including Multichannel Multipoint Distribution Service, MMDS) and Instructional Television Fixed Service (ITFS) data to the Universal Licensing System (ULS). WTB will hold a public forum about the new online capabilities on Wednesday, February 11, 2004, from 10:00 AM to 12:00 PM. The demonstration will take place at the Washington, DC headquarters building, 445 Twelfth Street, S. W., in the third floor South Conference Room (Room 3-B516). WTB requests that interested parties pre-register for the event by February 10, 2004.

The WTB is in the process of updating ULS to accommodate electronic filing of simple purpose applications for ITFS and MDS, and of converting existing license and application data for access in ULS. The demonstration will include topics such as:

- **Searches**
- **Conversion of applications and licenses**
- **Availability of Electronic Filing**

Registration

Pre-registration is required. To pre-register for the seminar, please contact Lee Burcham by e-mail at lburcham@fcc.gov, or by phone at 202-513-4575, by February 10, 2004. If registering by email, the subject line of the email should state "WTB Public Forum." Please provide your name, organization, telephone number and email address. We will confirm your registration by return email. **Note:** Those who pre-registered for this event under the previous date of January 28 will automatically be registered for the new event date.

Contact Information for MDS/ITFS Content-Related Questions

For all inquiries relating to MDS or ITFS licensing and service rules, contact the Broadband Division at 717-338-2687. Contact the Help Desk at 888-225-5322 and select option 2 for questions related to the database or general questions about this Public Notice.
